

Assessment Step By Step Guide

1. There are no wrong answers, except dishonest answers. All design elements are needed, useful, fulfilling and perfect.
2. Begin with the **Basic** Assessments, starting with the Motivated Role assessment. This will identify what motivates you to get involved. There are 10 multiple choice.
3. Take the Impact Style assessment. This will identify how you are wired to influence your goals. There are 10 multiple choice questions.
4. Take the Temperaments assessment. This will reveal how you think and how that impacts your goals. There are 40 multiple choice questions.
5. You are now ready for the **Advanced** Assessments. Start with the Interests assessments. This, in part, is the **WHAT** of your goals. Select your top 4 or 5 interests.
6. Next, take the Abilities assessment. This will reveal **HOW** you are wired to achieve your goals. Select your top 5 or 6 abilities.
7. Last, but definitely not least, take the Values Assessment. This is your **Personal WHY**. Select your top 5 or 6 values.
8. For your convenience, we will email you a detailed analysis after you have finalized each assessment. You can also create your own **Y•M•I Assessment** Summary Form.
